

SDG Indicator 7.1.1: Access to Electricity, 2023 Release (National)

Sustainable Development Goal Indicators (SDGI)

Percent of Population with Access to Electricity (%)

The SDG Indicator 7.1.1: Access to Electricity, 2023 Release data set is part of the Sustainable Development Goal Indicators (SDGI) collection. It measures the proportion of the population with access to electricity for a given statistical area. The indicator was computed as the proportion of the WorldPop gridded population located within illuminated areas as defined by annual Visible Infrared Imaging Radiometer Suite (VIIRS) Nighttime Lights Version 2 (VNL V2) data. This map represents the national results for 206 countries.
